Dear Reader:

On behalf of the Kiwanis Club of Little Havana, I would like to welcome you to Little Havana U.S.A., through this special guide published by Miami Mensual Magazine.

In the shadow of Downtown Miami's skyscrapers lies Little Havana, home to several thousand Hispanics. It presents a unique experience to visitors and an opportunity to feel the emotional and cultural center of its residents. The variety of restaurants offer an international cuisine and the many cafe stands provide for quick snacks and good conversation.

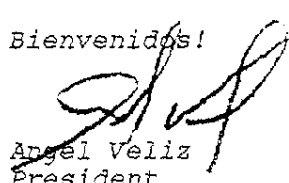

Little Havana has Spanish bookstores and libraries, bodegas, cigar factories and "botanicas" selling supplies for Afro-Cuban religions.

A "guayabera" shirt and a stop at the ice cream parlor featuring tropical flavors is perfect for the summer, come winter, "churros" and hot chocolate are ideal.

Little Havana is the host of CARNAVAL MIAMI, organized by the Kiwanis of Little Havana. It is the largest Hispanic festival in the nation held each year during the month of March. A celebration honoring Hispanic music, culture and ethnic foods. The biggest gathering of international performers, bands and dance groups that come from around the world to entertain more than a million people.

All year round, but most specially during CARNAVAL MIAMI time, Little Havana is a fun place to visit. Come and experience a foreign culture in the U.S.A.!

Bienvenidos!

Angel Veliz
President
